

Do you realize that if you regularly attend the church that's right for you and apply the principals taught, it can be your most effective empowerment tool?

Hello Friend,

I'm Dr. Mark Holland, the Pastor of Kingdom First Ministries (KFM). My wife, Michelle, and I believe that church can be more than a place to fellowship with others and to hear about God. **If you choose one that is dedicated to the fullest development of its members, church can be a highly effective tool to help you get focused and develop the ultimate relationship - your relationship with God.** It can be your most powerful tool in aiding you to become personally, spiritually and corporately empowered. [KFM is this kind of ministry](#)

[and we believe its mission-oriented nature makes it a dynamic place to grow and worship God.](#) This is why we would like to share what KFM has to offer with you. Please allow me to take a few minutes of your time to tell you about the church and me, as well as invite you to attend one of our upcoming services. I'm not only the Pastor, but I'm also a happy member. **KFM has been called a "hidden treasure" and many have said that it's a place where they have been greatly enriched.** Please take a few minutes out of your schedule and read the contents of this letter. If after reading it you feel that your spirit has been sparked and you're interested in finding out more, I encourage you to visit us soon

Why should I attend church at KFM?

I realize that KFM is not the place for everyone, but I feel that many will find it to be a place where they can be uplifted to new levels of personal development and spiritual growth. Our program will probably appeal most to those who have made a decision to follow the teachings of Jesus Christ, want to hear the truths of the Bible, and desire to be challenged to reach their ultimate potential. KFM seeks to develop in each member the spiritual, intellectual, and creative strengths to make a positive contribution to the world in a God-glorifying manner. [Some benefits are:](#)

- **Spiritual guidance** – You’ll have a Pastoral relationship with me, so that means I can give you a spiritual outlook on the issues of life and on things you may be facing personally.
- **Gives you a focal point to put God into your busy schedule** – It’s hard to do when you don’t have a church home. You may currently use Sunday mornings to rest or catch up on your errands. My wife, most KFM members, and I are engaged in work or business throughout the week, so we don’t have pressing church schedules. We seek to have impactful, but brief sessions weekly.
- **Gives you an extended family** – KFM members have been called “warmhearted and real.” It’s a family-oriented atmosphere where people show concern and love towards one another.
- **Gives you an opportunity to volunteer and share your gifts with others.**

Here is what some of the members said when asked the question, “Why do you attend KFM?”

“I’ve been in church since 1972. Many churches talk about love, but **it’s love in action here.**”

“I wasn’t attending church. My wife came first and was excited and that got me interested. Then when I met the Pastor he was so warm and friendly and made the Bible so plain, that I wanted to keep coming back. **I can really talk to Pastor Mark. It’s a feeling of family here and he makes learning about God fun. It’s not scary.** I’m comfortable being a Christian. Being here makes me feel like I want to serve God. I’ve also learned a lot about myself and I’ve really grown in all areas.”

“I was excited the first time I came and I’m excited every time I come. I feel myself growing. **I can be me. I don’t have to front.** Good things are nourished here.”

“The biggest reason I’m here is because I knew it would always be **challenging to me spiritually.** It **peeks my intellect.** The Pastor has taken me into areas that I wouldn’t have gone in myself. KFM has the right personnel to challenge me.”

“Being a member at KFM has brought me to a place where I thought I’d never reach. I’ve been in church a long time. My Pastor encouraged me to go to school and I love it. He really means it when he asks, ‘Are you alright?’ **He really listens.** Through the love and wisdom of him speaking to me honestly, I like who I am and I appreciate the paths I’ve taken. I’m walking in the footsteps of what God called me to do. I’m still growing under the Word that’s ministered here. **KFM is a place of total freedom to worship and praise God.**”

Kingdom First Ministries is a non-denominational Christian Church dedicated to the spiritual enrichment, educational advancement and the economic empowerment of its members. Our membership ranges from ages 0-90 and all ages are

welcomed and find a place to serve God according to their gifts and talents. You may say, I don't go to church, but I'm okay with my spiritual status right now. I'm a moral person and I do good things. I've felt this way too. After graduating from Hampton University, I got a well paying job, purchased a nice home, was well-liked and I found favor in my endeavors. I felt I had it going on in most areas of my life. But I'm a person who desires to reach the ultimate level of my success. Once I was presented the opportunity to develop a relationship with Jesus and I decided to do it, my life soared to higher levels of success. In addition to being a Pastor, I have a profitable business, am an award-winning public speaker, and have a great relationship with my wife and daughters. I live in a state of wealth and well-being. I encourage you to give Jesus Christ a try, so you can experience this state of blessing too. Through fellowship with other Christians at KFM, you will develop a sense of connection and by applying the principles taught, you will deepen your faith in God. A heightened relationship with God will give you new direction and you'll begin to walk in purpose as never before. It's an awesome feeling! I invite you to give KFM a try this Sunday.

What we desire is to help you deepen your relationship with God and to help you develop a better quality of life for yourself and your family.

One thing I'm excited about is that I didn't become a Pastor because I thought I could do it better than someone else. I submitted to the call of being a Pastor because God said to do it. I'm not at a crescendo where I can't receive from others. I believe that everyone is important and has value. If you don't have a church that you attend on a regular basis, I invite you to come worship with us at KFM. I would love to meet you and your family. Our address and service information is listed below. Make the quality decision to visit this Sunday and experience KFM for yourself!

Sincerely,

Pastor Mark E. Holland
